\* Endorsements designate the subject matter an individual is authorized to teach.

\*\* The above requirements are for the teaching endorsement only and do not necessarily fulfill the requirements for a major/minor. The student is responsible for all course prerequisites and for satisfying departmental requirements for graduation.

\*\*\* Washington State University will support the application of a certified teacher who satisfactorily completes the specified 19 credit hours of course work (SpecEd 301, 401/501, 402/502, 404/504, 421/521, and 490/590) for a pre-endorsement waiver permitting employment as a special education teacher. A full endorsement requires 31 credits hours and all endorsement requirements must be completed within five (5) years of service as a special education teacher.
