Final Report: Report on at least the past 150 hours of internship work. Also, attach at least THREE representative sample documents of the work completed. The final report is due at the end of the semester or summer, but you may submit it in a timely way after completing 150 hours of work.

Supervisor Statement: Please write a brief statement that attests the accuracy of the intern's report and evaluates the quality of his/her work. (This should not necessarily be construed as a letter of recommendation, which may be negotiated separately between supervisor and intern.)
