**TRiO Student Action and Advisory Board (SAAB) needs you!**

This student group was organized this past spring and is looking for student leadership and student members to join in on the fun!

**What is SAAB?**
It is a board, made up of TRiO students that are interested in contributing to the success of the TRiO program and its students.

**How Do They Contribute?**
There are Board positions that students can fill to lead certain initiatives – decided upon by the board, as well as member positions for students who don’t necessarily want to lead, but do want to help come up with ideas, and volunteer to help.

**Who Can be on SAAB?**
To be in a leadership position you must have been in TRiO for at least a year and be in good academic standing. To be a member, you just need to be a TRiO student.

Here are the current Board positions:
- Co-Chair: Vacant
- Co-Chair: Vacant
- Outreach Chair: Demi Galindo
- Fundraising Chair: Vacant
- Event/Program Chair: Breanna Lopez

Meetings last year were held every 2 weeks. The Retention Specialist is the Advisor for the group.

Things the group has organized for this fall is:
- Leading the activity at lunch during the Freshman Orientation in August.
- Helping be group leaders for the orientation for Freshmen in August
- Helping to Table at week of welcome events
- Helping to promote the program in classrooms

All SAAB student leaders will have the opportunity to attend the TRiO Student Leadership Conference in Olympia, WA in March 2016. It is a FREE overnight trip and a great leadership experience. Ask last year’s leaders for more information. Jennifer Berry-Burkhart, Demi,
