

BUY A BRICK TODAY!

CONTRIBUTE TO THE COMMUNITY

Be a part of the production of the Washington State University Tri-Cities campus student union building.

Reserve your place on a brick or bench to be included in the Washington State University Tri-Cities new student union building plaza. Your purchase will not only become a permanent part of the Washington State University Tri-Cities campus, but will also benefit and support our students for years to come.

The one-story building will offer a large lounge area, student office space, computer lab, restrooms, and a large meeting room that will be able to be divided for smaller gatherings. There will also be outside seating on the patios.

Leave a permanent testament of your ongoing support of Washington State University Tri-Cities.
